

# CHIP EICHELBERGER

Peak Performance, Motivation  
and Wellness Strategist

THE **Energy Source**  
for Your Event

Chip believes people are dying for engagement, NOT a speech. For 5 1/2 years as Tony Robbins international point man, he spoke over 1300 times throughout the US, UK and Australia. It sharpened his skills and created a unique, interactive, humorous, high-energy, persuasive style that gets results. He is a proven pro with 1000+ successful events the last 29 years. He will do his homework, conduct phone interviews, customize his message, create learning guides and deliver a superior audience experience. He will work hard to make you look like a genius as the decision maker that hired him.

## KEYNOTE TOPICS

- **GET SWITCHED ON!**  
REEVALUATE AND RECHARGE
- **OWN IT!**  
TAKE CHARGE OF YOUR  
PERFORMANCE
- **THE BOARD BREAK EXPERIENCE!**  
BREAKING BARRIERS

**Chip believes who you are is a significant part of your USP.** His sessions focus more about becoming more of what is possible for who you are and less about what you do. He will inspire everyone to reevaluate what is really important, recharge your compelling vision and game plan, current mindset and to make a decision to take better care of your #1 Asset – your energy and physical and mental health.

He specializes in high-energy, interactive and customized **opening and closing presentations**. Chip is consistently told by the organizations that hire him that most speakers were a "rental" and that he was a true partner in making their event a success! Customization is essential, he will do the homework and virtual interviews necessary to create audience buy-in.

He is famous for "**BOOKENDING**" events by **opening the day** with a customized experience, tied into your theme and business model and then **closing the day** in the last 40 minutes with the Breaking Barriers – Board Break Experience.

## TESTIMONIALS

“If you look up the word **ENERGIZE** in the dictionary you will likely find a picture of **Chip Eichelberger**. We hired him over 30 time for a reason. He helps us drive growth, productivity and healthy habits.

**Lennar Homes** – Jon Jaffee – President 

“I was **SHOCKED** by the amount of energy and engagement Chip was able to create in our group of manufacturing reps. You delivered on your brand promise” **you WERE the energy source for our event.**

**Motorola Solutions** -   
Anita Samatas, MR Program Manager

“He set the tone for our meeting of “Own It” and how we each need to be accountable for our own results or go back into our studios for improvement. Chip’s messages were themes that we can take back into our lives both professionally and personally. Chip helped **energize our sales team** and reminded us that we can and we will prevail.

**Campbell Soup Company** - Jim Sterbenz, VP Sales

“I have witnessed countless business & motivational speakers over my career of 34 years. **Chip Eichelberger is flat-out top of the charts for his ability to connect and interact with his audience to generate positive change.** His prep work and customization before the event with these ELITE award winners was spot on.

**Comcast** - Randy Waddell - SVP Sales & Marketing 

“Right from the beginning, **Chip had a keen interest to learn about our business and our challenges. I must say, his enthusiasm and the positive energy that he brings to the environment is highly contagious.** He energized our team and helped them start **OWNING** their career path, vitality, and deliverables.

**Alexion AstraZeneca** - Harsh Darodkar - Associate Director 

“His presentation was engaging and interactive and peppered with just the right amount of humor. He took the time to research the concerns of our industry and conducted interviews to be sure his message would resonate. His message was spot-on. The **closing Breaking Barriers** set the perfect tone for our conference.

**National Association of Broadcasters** - Anne Frenette - VP 

“Your opening and closing sessions energized the team and brought the energy and message you promised. You did your homework and tied nicely to our theme and resonated with everyone. The **Breaking Barriers closing session was incredible** and perfect for our team to go back highly focused and energized.

**Amarr Garage Door** – Val Sigmon, President of Entermatic 

“You really got them thinking differently and motivated them to make some serious changes about life, the way they handle referrals and documenting their success. We really loved having you at these events to speak to our partners and love how involved, prepared and engaged you were.

**Apple** - Ron Lawrence - Channel Manager
